

West Virginia Surplus Line Notice  
Equisure, Inc

“Notice: 1. An insurer that is not licensed in this state is issuing the insurance policy that you have applied to purchase. These companies are called “nonadmitted” or “surplus lines” insurance. 2. The insurer is not subject to the financial solvency regulation and enforcement that applies to licensed insurers in this state. 3. These insurers generally do not participate in insurance guaranty funds created by state law. These guaranty funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised. 4. Some states maintain lists of approved or eligible surplus lines insurers and surplus lines brokers may use only insurers on the lists. Some states issue orders that particular surplus lines insurers cannot be used. 5. For additional information about the above matters and about the insurer, you should ask questions of your insurance agent or surplus lines licensee. You may also contact your insurance commission consumer help line.”
